

MASSACHUSETTS

# GET TO KNOW THE MEDICATION LOOKUP TOOL

With a simple search, you can see which medications your plan covers.

Our **Medication Lookup** tool lets you easily learn more about your coverage for prescription medications, including those with additional requirements like prior authorization. Search anytime, anywhere at [bluecrossma.org](http://bluecrossma.org).

## KEY FEATURES

Using the tool, you can:

### Search for any medication

See if it's covered by your plan

### Get detailed information

Including the medication's strength, tier, and how it's dispensed

### View additional coverage requirements

Such as prior authorization, step therapy, and quality care dosing

### See covered alternatives

For non-covered medications

## Start searching

For more information about your prescription coverage, sign in to MyBlue at [bluecrossma.org](http://bluecrossma.org) and go to **Medication Lookup Tool** under **My Medications**. If you're not a member, you can get more information by visiting [bluecrossma.org/medication](http://bluecrossma.org/medication).

# GETTING COVERAGE INFORMATION, SIMPLIFIED

We're making it easier than ever for everyone to learn more about our medication coverage.

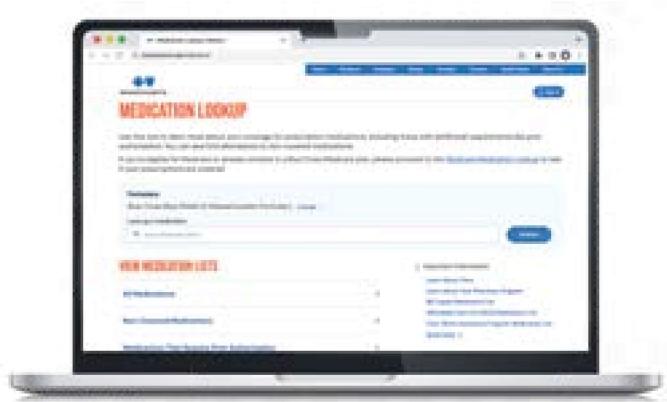

## Personalized search

When you're signed in to your MyBlue account, your plan's formulary (list of covered medications) and tier structure will be displayed automatically in the tool. That way, you'll know you're getting the most accurate search results for your plan.

## Anyone can use it

The **Medication Lookup** tool is available to everyone, even if you aren't a member yet. You can easily find out if your medication is covered, or see covered alternatives, before you enroll.

## HOW TO USE THE TOOL

- ① Sign in to MyBlue and go to the **Medication Lookup Tool** under **My Medications**. If you're not a member, go to [bluecrossma.org/medication](https://bluecrossma.org/medication) and choose the formulary you want to search. When you're not signed in, the tool defaults to a 3-tier plan.
- ② Select a medication to see if it's covered and get even more information, including strength and additional coverage requirements. Plus, if the medication isn't covered, you can see covered alternatives.
- ③ Use the **Important Information** and **Specialty Pharmacy** sections to access important resources, like medication lists and Specialty Pharmacy Contact Information. If you're signed in to MyBlue, the **Specialty Pharmacy** section will be customized to match your benefits.

## LEARN MORE

To learn more about your pharmacy benefits, including which tier structure your plan uses, sign in to your MyBlue account at [bluecrossma.org](https://bluecrossma.org) or check your plan materials for details.
